Friday 3rd April 2020

Dear Parents and Carers,

It's now two weeks since the school closed and we hope you are managing to stay safe and well in these very unusual circumstances. Today is the last day of the spring term and our opportunity to wish everyone a happy Easter.

On Monday we launched our [Virtual School](#), thank you to everyone for all of your positive comments. All of the teachers have been working very hard to bring this to life and to make the learning engaging and exciting. Please do remember that the online learning is there to support families and not to cause any extra pressure, so we encourage families to have a go and use whatever supports your home learning.

Over Easter we are setting some Easter challenges. The virtual school will fully reopen on Monday 20th April when all of the new learning will be available.

Check our Twitter [@SJSCprimary](#) to see the all of the staff working at home and share your photos with us, we'd love to see them.

We are asking that every family email their class teacher at least once a week during term time so we know you are safe and well. Please share some work or just send a quick hello to your class email address which is on the virtual school page.

We are continuing to provide provision for children of critical workers for our school and for local schools and are also making sure that any families who are entitled to Free School Meals are receiving food or vouchers.

With best wishes to all of you and a happy Easter.

Joseph Bell
