Dear Parents and Carers,

Welcome back! We are now at the start of final half term of this year- Summer 2.

As well as continuing a Key Worker Hub, it has been a pleasure to have begun to also welcome back some of our reception children this week. It is certainly warming to the soul to hear children's laughter punctuate the day!

Over the next few weeks we have planned to welcome back more reception children, followed by year one, and finally year 6.

- Reception – Two further groups on Monday 8<sup>th</sup> June.
- Year 1 – Two groups on Wednesday 10<sup>th</sup> June and further groups on Monday 15<sup>th</sup> June.
- Year 6 – Wednesday 17<sup>th</sup> June and further groups on Monday 22<sup>nd</sup> June.
- 

## Virtual School

For those who are learning from home, the Virtual School will still be available online every Monday for **every** year group.

The content will continue to be of the same quality and cover the whole curriculum, including wellbeing. From now on, English and Maths will be written with 4 sessions of each per week- this will allow time for parents to include the other subjects (such as Art or Music) which we are just as passionate about. The format has been simplified slightly, with less text to read through.

We would love to continue to hear from you fortnightly, either showing us some of your wonderful learning or to say hello. So, for those who are not currently attending school, your teachers will still be emailing as usual.

## Online Safety Check-In

[Thinkuknow](#) provides advice from the National Crime Agency (NCA) on staying safe online

[Parent Info](#) is a collaboration between Parentzone and the NCA providing support and guidance for parents from leading experts and organisations

[Childnet](#) offers a toolkit to support parents and carers of children of any age to start discussions about their online life, to set boundaries around online behaviour and technology use, and to find out where to get more help and support

## Wellbeing Check-In

We have all probably heard the phrase 'unprecedented times' so much recently, that it could almost become normalised. We would like to acknowledge, at this point, that it has been an extraordinary few months, and as parents and families there may have been various changes and challenges. A hat's off to everyone.

We would like to encourage you all to take a moment to just pause, breath deeply and have time to physically stop. We are feeling the power and benefits of 'pause' at times to refresh, take stock and appreciate the positive support from our community.

## Celebration

Prize winning artist...

A huge well done to Bella, from Van Gogh class, who came 3<sup>rd</sup> in her age group for her amazing entry in the Dulwich Festival competition.

Art Virtual School going national...

Ms Hanif- Banks has created some fantastic virtual art sessions for us since March. This has been recognised by Southwark Arts Network and London College of Communication who will be using SJSC's virtual art lessons via [schools@anewdirection.org.uk](mailto:schools@anewdirection.org.uk).

This is a fabulous website, full of great ideas focusing on a creative approach to all learning. Thank you and well-done Ms HB!

This just leaves us to say enjoy the weekend,

Kind regards

Joseph Bell
