Dear Parents

It is hard to believe that we are now only one week away from the end of the summer term and the onsite and virtual schools are busier than ever.

End of year approaching

Reports- This week you will have received your child's end of term report. It has been a delight reading them all and having the opportunity to share every child's learning. We hope you enjoy them as much as we did.

Transition - You will have received information about the class transition events taking place next week. Please take note of the specific time slots and gate drop off points, as well as the safety points. Remember, these events are not compulsory. If you can't attend the transition slot, you will also receive all transition details in our final letter of the school year.

Summer of Food and Fun - www.summeroffoodandfun.org.uk

This year Southwark Council has joined forces with Lambeth Council and London's largest holiday provision provider, Kitchen Social, to host an exciting summer programme of food and activities across the two boroughs called 'Lambeth and Southwark's Summer of Food and Fun'. There will be 85 programmes for children of different ages and with different interests for an inclusive and holistic programme of nutritious meals and fun activities for children and young people (4-19 years old), their families and/or carers. The programmes will be held at local hubs or delivered remotely to accommodate social distancing guidance. The programme will run for 6 weeks between the 22nd July and 2nd September.

The online brochure is now live and available [here](#), providing a directory of the programmes across the two boroughs.

Government updates

Our aim, as always, is for open and clear communication with our community. The leadership team will be spending the rest of the summer term and over the summer holidays developing our approach to the full school reopening. We are driven by priorities of safety, but also by what we hold dear as a school and what is best for our children, families, school and staff.
