Friday 17th July 2020

Dear Parents

The end of the Summer term is here! It has been a different year to the one we expected when we began in September 2019, but there is still so much that the whole community has achieved.

This morning we held a whole school Zoom event. It was amazing to see so many of you there and a chance for us to thank you all.

We would like to say an enormous well done to all of the children, who have been such a source of inspiration and demonstrated our school values both in school and virtually. Well done to you all, we are proud of each and every one of you, and all you have achieved.

Once again, we would like to recognise the efforts of all our families before school closure, and particularly since March. You have done a fantastic job and we thank you.

We would also like to thank our wonderful staff who have shown such passion, energy and determination throughout the year.

Endings and beginnings

The end of Summer term is here, which always marks the end of one adventure and the start of a new one.

Margo Lyons, Kerry Purnell, Maria Crompton, Rebecca Burnett and Celia Norton are moving onto different roles and new adventures including teacher training.

Mrs Ford has secured a role as part of Southwark's Hearing Support Service and will continue working with us one day per week.

Miss Vomero starts her maternity leave in September. We send her all our love.

And finally, after 26 years here at SJSC, Colleen O'Neill is going to be enjoying a well-deserved retirement.

We would like to welcome into our community Rhiannon White and Sian Lacey who will both be joining our teaching team in September.

Farewell year 6

Congratulations and farewell to our wonderful year 6. We wish you well on your next adventure and can't wait to hear about everything you will achieve.

New classes

Many of you have attended our transition events these past couple of days. It was great to see you. As always, there will be a focus in September on ensuring that children feel settled and confident in their new classes.

Summer learning

Over the summer we are aware that families will want to take different approaches. You may want to take the time to unwind and have a break, or you may want to keep some school routines continuing during the summer months. Each family will have their varying priorities. The summer challenges we have provided are optional and will be live on the website on Monday.

September 2020

We are incredibly excited to be welcoming everyone back to school in September. We are continuing to work on our plans based on the latest government guidance. An email outlining all of the details will be sent over the school holidays.

Key dates

Monday 20th July school open for staff inset only.

In September:

Wednesday 2nd September and Thursday 3rd September - school open for staff inset only.

Friday 4th September- first day of school for children.

Finally, we would like to wish you all a wonderful summer and we look forward to seeing you in September.

Kind regards

Joseph Bell
