

Friday 27<sup>th</sup> March 2020

Dear Parents and Carers,

What a very strange week for everyone. We are missing seeing all of you everyday but we are thinking of each and everyone of you and are looking forward to seeing lots of your learning projects over the next few weeks.

All the teachers have been meeting and working together virtually, from our various living rooms and kitchens, to prepare more learning for you to be doing at home.

### **Our SJSC Virtual School**

On Monday our Virtual School will be launched on the school [website](#).

Just choose your year group and the week's learning for each subject, which will be uploaded every Monday.

Every day, try to do a writing, reading and maths task. If you have a printer you can print off some of the tasks to complete. If you do not have a printer, you will be able to use your exercise book or some paper.

### **Keeping in touch**

On the Virtual School, under your year group page, you will also find your new class email address.

We would like to hear from you at least once a week. Please email the class address to let us know how you are getting on, questions about your learning, and send in photos of your work. Your class teacher will respond to you each week. We look forward to seeing your fantastic efforts!

Best wishes from all the SJSC team,

Mr Bell

Miss Crank

Head teacher

Deputy Head teacher
