We very much welcome applications from NQTs and experienced teachers across all key stages and early years.

We believe that education is about the whole child and our school ethos is one of instilling a love of learning. We work to support our children to build up powerful knowledge, develop critical thinking, grow personally and be empowered to contribute positively to society and develop their own voice.

As a Church school, we endeavour to build our school on our core values of aspiration, resilience, creativity, community and kindness. We are passionate about the arts and value their contribution to a well-rounded education and as a way to explore the world and expression.

Our diverse school community is welcoming and pupils are self-motivated and creative who have an immense proudness of their school.

St. John's and St. Clement's is a thriving two form entry Church of England Primary school, located on the borders of east Dulwich and Peckham Rye (Zone 2). We currently have a 'Good' grading by Ofsted. We aim to serve our community by providing a first-class education within a Christian context.

We can offer you tailor made professional development and support in a vibrant and fun working environment. We have a 'can do' culture where ideas and creativity are actively promoted. We also offer leadership opportunities and collaboration with wider organisations and local schools, plus a salary sacrifice scheme, which include tech and cycle schemes.
