

Year 2 Curriculum Map Autumn 2

This term's value is:

Aspiration

Key Information

PE:

Van Gogh/Kusama – Monday and Tuesday

Maths

Addition and Subtraction Facts- fact families, missing number problems

Time- understanding units of time, reading an analogue clock to within quarter of an hour, drawing hands on a clock face

Money- know the relationship between pounds and pence, counting combinations of coins, giving change

Fractions- finding $\frac{1}{2}$, $\frac{1}{4}$ and $\frac{3}{4}$ of a shape/amount, recognise equivalence or $\frac{1}{2}$ and $\frac{2}{4}$

Division- use sharing and grouping to divide amounts, recall division facts for 2 and 10 times tables

Data handling – collect data, construct pictograms/bar graphs, analyse data

Please see the Calculation Policy on the school's website for clarification on methods.

Help at home: Learn and quickly recall the 2, 3, 5 and 10 times tables.

Ask your child to read the time on the clock and encourage them to use it regularly.

Play with money at home, ask them to count out amounts, watch you getting change in shops etc.

English –

'The Journey Home' and various Amazon Rainforest non-fiction texts

In English this half term we will be meeting and going on a voyage with a polar bear, a panda, an elephant and an orang-utan in search of a new home. We will also be learning about the Amazon Rainforest and creating a non-fiction book to raise awareness of the importance of this magnificent habitat.

Help at home Read and look at the features of non-fiction books. Learn how to use and discuss contents pages, glossaries and indexes.

YEAR 2 PROJECT

Year 2 are Eco Warriors!

We will be delving into the world of conservation and encouraging the children to think about the impact they can have. The children will become 'project managers' and not only plan their own conservation awareness event but lead and run it. We live in a wonderful world and year 2 are here to encourage others to look after it and make a difference!

PSHE

Anti-bullying

Children will learn: more about teasing & bullying, the different types of teasing and bullying, that these are wrong and unacceptable & whom to go to and how to get help.

Science

In science we will be focussing on habitats. We will be comparing our local area to that of the Amazon Rainforest and Antarctica. We will also learn about how animals survive in these habitats.

Help at home

Encourage your child to read books about different habitats and how animals survive there. Create a life cycle and food chain about a chosen animal.

Inspiring children
to Love the
world they live in

Help at home- these are ideas you can do with your child at home. It would be fantastic for children to bring any home learning into school to share with the class. These are optional. Homework will be sent separately.
