SJSC: Public Health England update

Dear Parent/ Carer,

I am writing to you to give you an overview of the preparations we are making to support you and your child at school during the Covid 19 (Coronavirus) outbreak.

The school continues to follow the advice of Public Health England (PHE) about keeping our school open and on maintaining high levels of hygiene in our schools. If anything changes in the advice given by PHE, we will inform you immediately.

However, we understand that things are changing rapidly and we want to help you to be prepared in the event that your child is off school or we are instructed by the government to close.

1. The situation now: 13 March 2020

St John's & St Clement's is open and will remain open until we are instructed to close by the government. If this is the case, we will contact you in writing, by text message, or email.

What to do if you, your child, or someone you have recently been in contact with, is showing symptoms (<https://www.nhs.uk/conditions/coronavirus-covid-19/>) of Covid 19:

- If a **family member or close contact** is self-isolating **without symptoms**, your child should come to school
- If a **family member or close contact** is self- isolating **with symptoms**, please inform us immediately and your child should not come to school
- If a **family member or close contact** is **diagnosed with Covid 19**, please inform us immediately and your child should not come to school
- If a **child is showing symptoms or has been diagnosed with Covid 19**, please inform us immediately and your child should not come to school. At this point (as with any notifiable disease) parents and SJSC will be acting under the instructions of Public Health England.

2. What to do if your child is kept off school because they are showing symptoms of, or have been diagnosed with, Covid 19

It is a good idea to start thinking about what you and your child can do if they are at home for an extended period of time.

Taking time off work to look after your child

Speak to your employer if you have to take time off work to look after your child. They should have a plan for staff during this time.

If you don't work and are claiming Universal Credit or another benefit and are concerned about being able to meet your job seeking commitments, contact your jobcentre or work coach for advice.
