# Uniform

- \* Please make sure that all your child's clothes and belongings are named.
- \* We would appreciate your support in ensuring the children wear their correct school uniform as outlined on the school website.

## PE kit

- \*Navy shorts (plain navy jogging bottoms may be worn during the winter months for outside PE lessons)
- \*Plain House Coloured t-shirt
- \*Trainers and sports socks

# Our Amazing Curriculum

## Year 2 Curriculum Map Autumn 1

This term's value is:

**Kindness**

### Key Information

**PE:**

Van Gogh – Monday and Tuesday

Kusama – Monday and Tuesday

**Forest school will be taking place every week this half term. Please bring in wellies and a waterproof jacket to keep in school during this time.**

### Maths

**Place value:** recognising the place value of 2 digit numbers, partitioning 2 digit numbers and ordering numbers within 100.

**Addition and subtraction:** recall number bonds to 10 and 20, add and subtract 1 digit numbers to/from 2 digit numbers, solve one step problems.

**2D Shape:** name a range of 2D shapes and describe their properties, begin to identify lines of symmetry and compare simple 2D shapes.

**Multiplication:** count in steps of 2, 5 and 10, begin to recall multiplication facts for the 2, 5 and 10 times tables.

**Please see the Calculation Policy on the school's website for clarification on methods.**

**Help at home:** We will often use 'Hit the Button' online to help the children to quickly recall number bonds and multiplication facts. This is a great tool to use at home as well.

**Help at home:** these are ideas you can do with your child at home. It would be fantastic for children to bring any home learning into school to share with the class. These are optional. Homework will be sent separately.

### English –

'Jim & The Beanstalk' and 'Goldilocks and Just One Bear'

In English this half term Jim and Goldilocks will need our assistance! We will be helping them to twist traditional tales into new and exciting stories for children to read.

**Help at home** when writing stories it is really important that the children think about word choice and using interesting adjectives, verbs and adverbs. When reading at home try to highlight these types of words and discuss how they are used to excite and engage the reader. Make a list of wow words and bring in any new words to share with the class.

### YEAR 2 PROJECT

#### Can Year 2 help Jim to grow another beanstalk?

Jim needs our help! He needs to grow another beanstalk but does not have the original magic beans. Our project aim is to teach Jack how to grow the best beanstalk, and other plants, as well as the importance of green spaces areas.

### PSHE

We will be learning about what makes a good friend and also discussing what is fair and unfair, kind & unkind and right & wrong.

#### Help at home

Please encourage positive relationships and talk with your child about school and how scenarios made them feel/how they could approach them.

### Science

In science we will be focussing on plants. We will be learning about what plants need to grow and stay healthy.

**Help at home** by growing a bean and keeping a record of its growth, visiting garden centres and identifying different trees and plants in the local area.

### Forest School

Every Friday the children will be taking part in hands on learning experiences in woodland areas in the local area. Learning outdoors will inspire our writing, put to practical use the maths skills we are learning in class, and support our science learning we will be going on nature walks to identify plants.

The outdoor learning planned will also give us fantastic opportunities to develop collaborative skills, resilience and problem solving.

# Attendance and Punctuality

---

- Please ensure that your child is in school, on time, every day.
- School starts at 8:55am but children may come in to school from 8:45am.
- School finishes at 3.15pm.
- Please try to make all medical appointments outside of the school day when possible.
- Mrs Marston is in charge of attendance and can answer any of your questions.

# Exciting upcoming events

---

## Outdoor Science Learning

- Visits to Peckham Rye Park
- Centre for Wildlife Learning in Peckham

# What to do if you need to speak to me

---

Catch me at the end of the day

Put a note in the book bag/reading record

Make an appointment to see us via the office

For non urgent matters - email (we aim to reply within two working days. Emails are not checked during the school day)

Email address: [emily.wetz@sjsc.southwark.sch.uk](mailto:emily.wetz@sjsc.southwark.sch.uk)

# Summary

---

- \* PE is on Monday and Tuesday.
- \* Please help your child to develop a love of books by encouraging reading and talking about what they have read.
- \* This term's project is 'A Twist in the Tale'.
- \* We are looking forward to our exciting year together.

# Thank you for coming.
