

# St. John's and St. Clement's

School Values: **Aspiration, Resilience, Creativity, Community, Kindness**  
Friday 12<sup>th</sup> January 2018

An exciting time for everyone this week. All of the classes are starting their new projects, reading their new texts and a spaceship landed in Year 1! On Thursday, some of our Year 4 children visited the Goose Green Centre and met with some elderly members of our community. Our football teams also played against St Paul's and won 9-5.

Today, some of our teachers worked with Anthony Legon, our English consultant from The Literacy Tree, developing the learning that is happening across the school.

Next week, Klee Class will be leading us in their assembly on Friday at 10.35am, if you have a child in the class please come and join us. The class assemblies for this term are in the calendar to help with planning.

Have a lovely weekend everyone!

### Engaging Learning!

At the beginning of the week, a spacecraft had crash-landed in the playground. Luckily, Year 1 were on hand to deal with the situation! They have taken on the role of investigators and will be using this exciting starting point as a basis for their writing and to link with their class text 'Beegu' by Alexis Deacon.

Coming up over the half term... News of the SJSC Theatre Company - a newly established theatre group set up by the Year 5 children who are working on their first Shakespearean production.

### Diary Dates

#### Tuesday 16<sup>th</sup> January

Y6 trip to The British Library

#### Friday 19<sup>th</sup> January

#### Wednesday 28<sup>th</sup> March

2pm End of Term service at St John the Evangelist  
Last day of term

### Online safety New Year Resolutions

The UK Safer Internet Centre offers advice for families wanting to set online safety resolutions for the new year, which you may want to share with your parents/carers, for example on your school's website. Tips include: have an open and honest conversation; create a family agreement; look at all your accounts; use the internet together. Please click [here](#) for more information.

### Applying to start primary school in September 2018

Do you have a child who will be starting school in September 2018? **Monday 15<sup>th</sup> January** is the deadline for submitting application. Please ensure all applications are submitted before then.

### Pupil's absences

Please contact the school as soon as possible on 020 7525 9210 to report a pupil's absence from school. Press 1 to select the student absence line option and inform the school of your child's name, class, reason for absence and when you expect them to return to school.

You can also download the Studybugs app to record a child's absence. <https://studybugs.com/>

Please remember to contact the school each day of absence.

### Chewing Gum

We have noticed some chewing gum starting to appear in the school. This is very difficult for us to clean and does damage some of our equipment. Please can you ensure your child does not come to school with any chewing gum.,

Teachers spent their staff training this week looking at ways to promote RESILIENCE throughout the curriculum for example by redrafting our writing, by solving word problems in maths and reflecting on our learning and identifying our "next steps". They also played some fun games, which promote resilience, which they will be playing with the children in their PSHCE (Personal, Social, Health and Citizenship) lessons in the coming weeks.

Year 1 have been focussing on resilience in the playground in PSHCE. Here they are passing a hoop around a circle without letting go of each other's hands. They also talked about strategies to use to resolve and prevent problems that arise.

### Attendance

It is very important that children attend school every day. This week, well done to Walker.

Year	Artist	Attendance
Rec	O'Keefe	97.4%
Rec	Stik	92.0%
1	Kahlo	94.3%
1	Stowasser	92.9%
2	Van Gogh	94.3%
2	Kusama	94.3%
3	Kandinsky	92.2%
3	Gormley	94.4%
4	Winston	93.3%
4	Smit	92.0%
5	Lichtenstein	95.6%
5	Walker	98.9%
6	Shonibare	97.7%
6	Klee	93.1%
6	Banksy	91.7%

Dear Parent / Guardian

## **The NHS nurse are holding an urgent nasal flu catch up programme this Saturday for children in reception class, year 1, 2 3, or 4**

We are already aware that the flu this year is very serious and local children have been admitted to hospital as a result of influenza, Less than 50% of children in Southwark have had the nasal flu vaccine this puts many children adults and babies at risk of this serious but preventable virus.

Southwark fire services have kindly offered us a room in their facilities to help protect your child – by vaccinating this group it will help break down the spread of this disease, Apologies for the short notice but there is some urgency in protecting anyone that missed the vaccine. Other children at risk GP services will advise

**Date -Saturday 13<sup>th</sup> January**

**Time- 11:00 – 15:00**

**Address - Old Kent Road Fire Station**

**405 Old Kent Road**

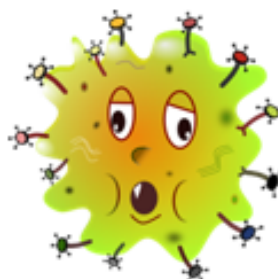

**Southwark**

**SE1 5JH**
