This Week's News...

The penultimate week of term has been busy and interest-filled, packed with plenty of trips - Year 1 visited Dulwich Park as part of their science curriculum, Year 2 had a marvellous time at Botany Bay, and Year 3 visited the Petrie Museum linked to their learning on Ancient Egypt.

Year 5 parents attended our meeting to help families prepare for the secondary schools application process. Don't worry if you missed this - the materials have been emailed.

On Wednesday there were many excited children and staff as we held our 'Moving up' sessions, where the children got to know their new teachers. You should have also received your child's end of year report.

On Thursday art work created by Year 4 was displayed at the London College of Communication 'Local Heroes' exhibition.

Unbelievably, there is just one more week to go until the end of this wonderful school year. We are all looking forward to Year 6's performance of Mary Poppins on Tuesday; we know they have been working hard in rehearsals.

Our Leaver's Service at St John's Church will be held on Friday at 9:30am - please do come along.

Have a great weekend everyone.

Mr Bell, Miss Crank and Mrs Harding

Goodbyes

We hope you will join us in saying thank you and farewell to some much-loved members of staff who are moving on to pastures new:

Jess Thompson, Monique Haase, Matilda Corby, Georgia Pasfield, Sarah Smith, Amy Kasoma, Joanna Burdett and Adam Bridle. A special mention must go to Margaret Roberts and Carol Irving who are retiring having given over 40 years of service to our school between them.

We wish them all well in their new adventures.

Water Aid

On Wednesday, we had an inspiring visit from Elizabeth from Water Aid. She talked about the wonderful work the charity does across the globe and how the money raised by Year 3's tea tasting event will help others.

Hellos

In September, we are thrilled to be welcoming new teachers to our school community:

Natalie McIntosh - SENCO/ Inclusion Manager
Laura Vomero - Reception teacher and Rec/Year One Phase Leader
Shaunagh McGroarty - Year Five Class Teacher.

Our music provision will continue to be a strength in our school as we work with Southwark Music Service to further enhance our music lessons and singing opportunities.

Attendance

It is very important that children attend school every day. This week, well done to **WALKER** class.

Growing Against Violence

On Thursday, Year 5 and 6 took part in workshops to learn about resilience in resisting peer pressure and how to stay safe.

Botany Bay

Year 2 had a fantastic day at Botany Bay yesterday. There was much paddling, digging, picnicking and general merriment. A day to remember bringing together their learning about coastal regions.

Southwark Cathedral Leavers' Service

Year 6 attended a wonderful leavers' service at Southwark Cathedral today with other schools in our diocese. It was a time to give thanks for their time at primary school and look forward to their new adventures as they move on to secondary school.
