This Week's News...

This week we have been awarded our **Artsmark Silver Award** as a recognition for our work and commitment and work in the arts – thank you to Mrs Burdett for her work on this award.

We have also been successful in winning a bid from **Project Garden Learning**, which has provided the school with tools and equipment to create an edible garden, alongside cooking and science equipment for the children to learn about what they eat – watch this space to find out more over the coming months.

We are also involved in an exciting project, where we have taken part in local discussions on **Cleaner Air for Schools in Southwark**. This included a visit to the Houses of Parliament with Helen Hayes MP, investigating ways to make children breathe cleaner air in schools.

Our Victorian Shed is beginning to take shape with the **PTFA** organising the repainting of the interior and fitting new lighting. This project will transform the shed and make it an exciting place for the children. At the same time (following a successful bid to **Southwark's Safer, Cleaner, Greener scheme**) we will be developing the Peace Garden to make it an attractive, safe environment for the children to spend time.

We are using this half term as an opportunity to revisit all of our school values.

Oceans Are NOT Rubbish

Please collect clear plastic water bottles – any size.

We are creating a sculpture to enter into a competition that will raise awareness about the overuse of plastic and the impact this has on our oceans.

Check out author4oceans.org for more details.

Thank you,
Mrs Hanif-Banks, Florence & Chloe

Artsmark Silver Award

We are proud to announce that we have achieved Artsmark Silver Award this week in recognition of our commitment to the Arts throughout everything we do. The committee told us:

“The panel commends [the school for] the focus on arts and culture. There is evident commitment from the leadership team and Governor support and a good range of arts and cultural opportunities on offer for pupils, both in and out of school. The school is very strong on engaging pupil voice, and it is good to see a high level of parental engagement, the delivery of Arts Award, and strong national showcasing platforms for pupils.”

Sports News

SJSC's cricket team had their first win of the season on Tuesday in the cricket league. There was some fantastic batting and lots of sixes were hit!

Our Football A Team have worked hard all season and have their final match on Saturday 9th June at Rosendale Playing Fields. If they win this match (or even draw) they will win the league so it's all to play for. We are so proud of their resilience and commitment to each other and their aspiration to be the best they can be. Kick-off is at 9:30 and all are welcome to come along to support them.

International Evening - Save the Date

This year's International Evening will be on Tuesday 26th June from 5pm to 7pm. Every child in the school is working towards either a performance or a project to entertain us. Families will be invited to bring along food from their country for a shared feast during the evening. Everyone is welcome. Last year's event was a huge success and attracted over 500 people.

Curriculum

"Curriculum innovations are having an impact on outcomes for pupils,"

Ofsted 2018

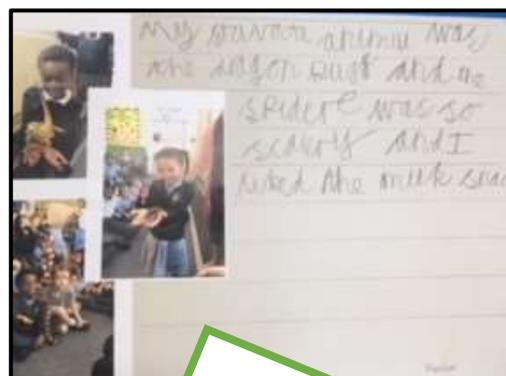

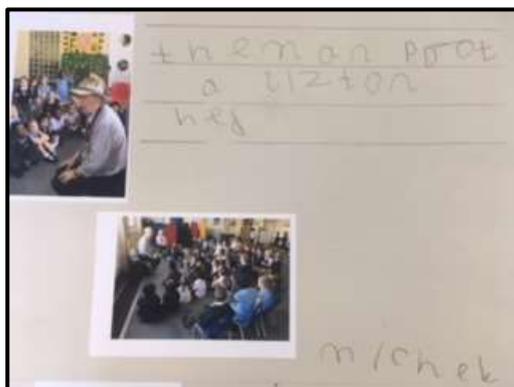

At SJSC we believe in making all learning purposeful and meaningful. We do this by teaching the national curriculum through projects and high quality texts.

Reception go Wild!

Today Reception had a visit from the Animal Man who brought in lots of interesting and exotic animals for the children to learn about...

Reception used this exciting experience to produce inspired writing...

Vegetable patch news...

The peas and radishes were ready to harvest this week, so the children worked hard in the garden and then got a chance to taste them. Yum!

News from the pond
The tadpoles have now grown legs. It's been great to what the developments and we can't wait to see fully grown frogs!
