## This Week's News...

On Wednesday, we were delighted to welcome Sean Flood, OFSTED inspector, to our school. Thank you to all the parents and carers who completed the online questionnaire at such short notice, and to those who spoke to the inspector. The final report will be shared with you as soon as we have it. Unfortunately, we are unable to share the result until the official report is published. However, we can tell you that the children, staff and governors worked extremely hard to show the school at its best. It was a very fair process and we are pleased with how the day went.

Next week, remember there are class photos on Wednesday and on Friday the first of our parent cafes where you can hear about our new curriculum.

Warmest wishes,

Mr Bell, Miss Crank and Mrs Harding.

Yesterday was International Women's Day but we have celebrated all week! In collective worship, we looked at women who demonstrated our school values of Aspiration, Resilience, Creativity, Community and Kindness. Many classes focussed on significant women in lessons and as part of our deputy headteachers' challenge, children have sent in their thoughts on inspirational women in their own lives.

## CASHLESS SCHOOL

Please be reminded we are a cashless school - we are unable to accept any cash payments for clubs, trips, uniform or music lessons. We would like to encourage all of our families to use ParentPay. If you do not have your username and/or password, please contact the school office who will help you. If there is any reason, you are unable to use our online payment system, please speak with the office or myself.

Thank you for your co-operation.

Lucy, SBM

## Year 2 Multiskills

## Well done to our netball team....

Our school netball team played an Away match against Heber Primary school on Wednesday. They played two very close matches and SJSC came out as the overall winners with a 3-2 win and a draw of 4-4. Well done, what a brilliant team effort.

## Safeguarding - Urgent

Everyday there are a number of parents who park on the yellow zigzags outside school. As one car leaves another arrives. This is unsafe. Please do not park here. It puts our children's lives at risk and is likely to cause an accident on Adys Road.

**Road Safety**
