Reading Quest 4

Well done to everyone for taking part in our new reading quest.

So far, we have read 1826 books – our target is 5000.

Keep your eye on the read-o-meter in the foyer- 5000 books here we come!

Year 1 visit to the Science Museum

Year 1 went to the Science Museum today and became explorers! They learned facts about the moon to help them to develop their ideas about their book "Sidney, Stella and the Moon" by Emma Yarlett. They also went to the Garden exhibition where they learned about different materials in preparation for their forthcoming science project.

Year 2 – Dragons Causing Mischief

Baby dragons have been causing mischief in Year 2 and the children been thinking about ways to look after them to help George (the main character from their book "The Dragon Machine" by Helen Ward).

Authors Abroad at Peckham Library

Six children from Year 3 and 4 met poet Neal Zetter in an event called Authors Abroad at Peckham Library. They planned and wrote a poem about being the first person on the moon with help from Neal.

Year 5 Samba

Our Year 5 children are working with Southwark Music Service to learn to play Samba drums. They are sounding impressive already. Every child is learning to perform individually and as part of a group – this is a really special opportunity for them. Look out for details later in the term about when you can hear them perform.

Reception visit Grove Vale Library

All of our classes are visiting Grove Vale library this term and it was Reception's turn last week. We are so lucky to have such an amazing resource in our local area.

Dulwich Festival 2019: 10th-19th May

Dulwich Festival returns from May 10-19 with a fantastic line up of family friendly events, many of them free.

Award-winning children's theatre will be on offer at St Barnabas Parish Hall with the fantastical tale of Tommy Foggo – Superhero, a magical multi-media tale of a life saved by music based on a true story, presented by cellist, baritone and actor Matthew Sharp, who will tour the country with Wallace & Gromit's Musical Marvels after his visit to Dulwich.

Bring a picnic and see the world's first cycling theatre company 'The Handlebards' perform Much Ado About Nothing at Jags Fields.

The Festival Fair on Goose Green will provide fun for all the family with a wide range of stalls and activities including the cheerful community chain of pom-poms and the much-loved donkey rides. The Love West Dulwich and Dulwich Park Fairs will take place on the final weekend of the Festival with a whole host of excitements for all the family.

For another family friendly outing, join the London wildlife Trust for a spring orchard tree care event and picnic. The orchard is being developed by The Dulwich Estate to mark 400 years since Edward Alleyn founded a school, chapel and almshouse in Dulwich. The day promises nature-themed activities for all.
