## This Week's News...

This week has seen a hive of activity: Meet the Teacher events, Y4 cycle training, swimming lessons for Year 3 and Year 4, Year 4 visit to the Horniman Museum, Year 5/6 departing for Wick Court Farm, a cross-country run and after school clubs.

Children and staff have been working really hard on creating wonderful displays of work around the school and Year 1 have been filling our new planters with top soil. The children can't wait to get planting.

Have an enjoyable weekend.  
Mr Bell, Miss Crank and Mrs Harding.

## Meet the Teacher Events

Don't miss the final two meetings:

Monday 24<sup>th</sup> September at 3.30pm – Year 4

Wednesday 26<sup>th</sup> September at 3.30pm – Year 1

At these meetings teachers present an outline of what will be happening in terms of curriculum and special events. It is also an opportunity for parents/carers to ask any questions.

Each session will be from 3.30pm-4pm and will be held in the classroom.

## Twitter NEWS!

Do you know that we have a school twitter account? We tweet about interesting news and you will see lots of photographs of what we are up to. Follow us on @SJSCPrimary. If you do not have access to twitter, you can see everything we tweet about on the front page of the school website.

### Collaborative Learning

Year 5 children met with Reception children this week as part of research for their project. They are planning to design and make toys with moving parts and have chosen to make them for Reception age children. The children worked really well together sharing information. They also spent time afterwards reading stories and exploring the reception classrooms.

### Year 4 Cycle Training

Year 4 have taken part in cycle training this week. Twenty five children have achieved their level 1 certificate.

Thanks to Southwark Council and Cycle Confident for putting on this training for free for our children.

Each Year we hold cycle training for Year 4, 5, and 6. Year 4 children practise in the playground and Year 5 and Year 6 learn to cycle safely on the road.

### Year 4 – Creating an Edible Garden

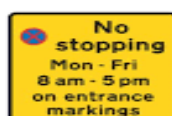

As part of this term's project, Year 4 are designing and installing an edible garden in our playground. They worked with gardener Chris to fill the planters with top soil ready for the next stage – planting. Watch out for more developments in the playground.

### Attendance

It is very important that children attend school every day. This week, well done to O'Keeffe & Kandinsky classes.

6	Shonibare	96.7%
6	Banksy	98.0%

Please keep our children safe and never park on the zig zags in front of our school - this area needs to be a safer place for children at the school entrance and kept clear. It is a parking contravention to stop even for a few seconds on the zigzags. Please also consider our neighbours: please avoid parking across their driveways and leaving your engines running. Thank you.
