Spring Term 2020 – Newsletter 1

This Week's News...

Happy new year Everyone and happy new decade!

It was great to see everyone back at school, refreshed after their holiday, and the classes are already starting their new projects.

You will be receiving this term's curriculum newsletter, and we hope you find them useful.

We have also included as many dates as possible on this newsletter to give families a chance to plan ahead, even though some of the dates seem a long way in the future.

You will also find attached a guide on regular communications that happen from the office to help make life a smooth and as seamless as possible.

Spring is always a very busy term, please help us by taking note of any dates and downloading [Parentmail](#), and responding to any requests.

Best wishes

Mr Bell and Miss Crank
