Friday 5th February 2021

Dear Parents,

It's the end of the penultimate week of this half term and it is Children's Mental Health Week. The children in every year group have been finding different ways to express themselves and learning how to support their own wellbeing. Thank you to Miss Arnold for organising the activities and we hope you had the chance to have a go at some at home. Here is a [link](#) with some useful resources.

All You Need Is Love

Community is one of our school values, and lately, more than ever, we have thought a lot about how important our community connection is. For the last week of the half term, and with Valentine's Day coming up, we would like to spread love around our community through our 'All You Need Is Love' project.

On Monday, Ms Hanif-Banks will launch the SJSC Heart Art Trail. She will guide you through creating art based on hearts that we would love you to display in a place visible from the street- maybe a window, balcony or your garden. It will be so inspiring to walk around the streets of our community and see all the SJSC hearts sending out love to others. You could go on a trail around the local area to see how many SJSC hearts you could spot by the end of the week!

On Seesaw, Miss Flynn will guide us through a music session where we will learn the words and sing along to the Beatles classic 'All You Need Is Love'. You can film a sing along and upload it. We can then compile the videos to create a whole school home choir!

We look forward to seeing your creativity and feeling the love in our community. Wishing you all a good weekend.

Kind regards,

Joseph Bell
