Friday 8th January 2021

Dear Parents

We hope you are well and adjusting to the new national restrictions as best as possible. Since writing to you last week the country has now entered a national lockdown with school being closed until February half term. This is a challenging time for many people and we send love out to all our families and the SJSC community.

Remote learning

First of all, a huge well done to children and families who have engaged so wonderfully with Seesaw and the live sessions. [Here](#) is a guide to Seesaw.

Thank you for all of the positive feedback so far – we all appreciate your kind words and engagement with the learning. Please know we do not underestimate the challenges of learning at home, whilst juggling other responsibilities.

Please visit the online safety page on our [website](#) for tips and support on how to keep your children safe online.

Southwark have also set up a helpline for residents and parents to call to access free digital skills training on 03333 444 019 (option 1).

Critical Worker and Vulnerable Children Provision

Thank you for your understanding in respecting the strict criteria for this provision. We have had a high demand for places and are working to ensure we can provide for those that really need it the most. Booking will become weekly, a form will be sent next week to book for the following week. Please only book this provision if you have no other childcare available, and let us know if your needs change.

Breakfast Club and After School Club.

Magna's breakfast club and after school club will continue running for children in the critical worker and vulnerable children provision. Places can be booked on their [website](#).

School Office

The school office will continue to be closed for visitors, however the school can be contacted by [email](#) or telephone during term-time between 8.30am and 4pm.

Family Support

If you are in need of financial support you can contact the Southwark Emergency Support Scheme via this [link](#).

[Southwark Parent Resources](#) – useful resources to support parents and carers with their children's wellbeing, healthy eating, and talking to children about Covid, as well as many other helpful links.

Celebration Assembly

One of our highlights each week in school are our celebration assemblies. Children are nominated by their class teacher and celebrated for demonstrating the school values or for going above and beyond. It is also another opportunity for us to come together as a community. From next week these will be online and it would be great to see all of the children there. There will be three celebration Zooms:

- Reception- as part of normal 9:00 registration Zoom on Friday
- Years 1, 2, and 3 at 11:30
- Years 4, 5, and 6 at 12:00

Zoom details will be shared on Seesaw next week.

We hope that you have a restful weekend.

Kind regards

Joseph Bell
Headteacher

Alli Crank
Deputy Headteacher
