

SJSC School Development Plan 2017/2018

Teaching, Learning and Assessment

To improve the teaching and learning of all pupils with an increased amount of learning being outstanding over time.

Further embed assessment procedures and ensure accurate tracking of pupil's progress and standards.

To develop and embed precision feedback and dialogue to increase rates of progress.

To continue to develop and refine accurate differentiation in all lessons to improve challenge

To effectively use additional adults to raise rates of progress.

To embed and develop a relevant, appropriate and effective curriculum for all pupils taking into account their learning needs and interests.

Outcomes for pupils

Raising attainment and progress in writing for all groups so that a higher % of pupils reach or exceed London and the difference between groups is diminished.

To improve progress in maths so it is above London and an increasing % of children reach the higher standard.

To improve the attainment of all pupils in Grammar Punctuation and Spelling to be in line or above London average

Continue to ensure good or better progress for all pupils to ensure we diminish the differences between different groups including Pupil Premium and SEND

Raise % of children achieving GLD and GLD+in EYFS

Pupil development, behaviour and welfare

To embed the schools' values which prepare children for modern Britain and becoming global citizens.

To improve children's ability and confidence in leading their own learning:
-Children understanding next learning steps and how to achieve them
-Children's independence in learning
-Peer & Self-Assessment

Ensure we continue to provide and improve a learning environment where children thrive, feel safe and secure to learn and make progress.

To provide opportunities to develop children's mental wellbeing, self-esteem and resilience.

Raise awareness and tackle any form of bullying.

Leadership and Management

Middle leaders to take greater accountability and responsibility for raising standards, moderation and assessment

Establish a new staffing structure at SJSC

To further develop strong and targeted parental involvement

Strategically plan for and use Pupil Premium Spend and Sports Premium to further impact on pupil progress and outcomes

Implement a culture of coaching to raise standards and capacity.

Embed the changes to content and assessment practice in RE across the school in the light of the revised diocesan scheme of work.
