

# Summer

# Challenge

Dear Kusama and Van Gogh classes,

We are so excited that summer has officially started!

We have been so proud of the hard work you have done this year. We hope you are feeling very proud, too – now you are all Times Table Rock Stars, expanded noun phrase makers, phonics experts and so much more! We want to say a special well done for all of the learning you have been doing at home. You have demonstrated resilience, aspiration and creativity!

We hope you enjoy a well-deserved break now. Over the summer, you can always keep learning by discovering the great outdoors, baking some cookies or delving into some good books.

We can't wait to see you again in September when you are in Year 3.

Miss Wetz and Miss Wilson

Dear Parents/Carers,

Thank you for all your hard work in home schooling and for staying in touch with us over the last few months. Over the summer we are aware that families will want to take different approaches. You may want to take the time to unwind and have a break or you may want to keep some school routines continuing during the summer months. Each family will have their varying priorities. The summer challenges we have provided are optional. There are different routes you can take: you can access the learning bingo pages as a source of ideas, ticking off activities as you wish. We have also provided web links at the bottom of the bingo pages for further games, activities and learning. You can also use **Oak Academy** and **BBC Bitesize**, both of which provide lessons across all year groups.

Thank you all once again. Have a wonderful summer and we look forward to seeing you all in the Autumn term.

Miss Wetz and Miss Wilson

# MATHS

## BINGO

<p><b>Data Gathers!</b></p> <p>Gather some data of your choice and then represent it as a pictogram or bar chart.</p>	<p>Compare and order a set of numbers up to 100.</p>	<p>Make your own clock to practise telling the time!</p>
<p>Create a maths board game for your family to play. Use the number bonds we have been practising as part of the game.</p>	<p>Find 3D shapes within your home. Name them and discuss their properties.</p>	<p>Make your own toy shop and practise buying, selling and giving change.</p>
<p>Write out a set of times tables that you find tricky. Ask a family member to test your speed!</p>	<p>Practise your measuring skills by cooking a delicious recipe that involves weighing out the ingredients.</p>	<p>Measure your height each week and keep a record to see how much you grow over the summer.</p>

# ENGLISH

## BINGO

<p>Create a wanted poster for a book character. Use a range of expanded noun phrases to describe the character.</p>	<p>Write a postcard to a friend about an adventure you have had. Focus on using exciting verbs throughout.</p>	<p>Write an introduction about yourself for your new teacher. Remember to think about the best expanded noun phrases to use.</p>
<p>Keep a diary. Think about how you will express your feelings and the variety of different words you can choose from.</p>	<p>Write a recount of a day out that you have been on, whether it's to the shops, the park or a friend's house.</p>	<p>Practise your handwriting with your favourite coloured pens.</p>
<p>Make up some alien words using all the phonics sounds you have learnt this year. Use them to create an alien zoo.</p>	<p>Write a letter to the Soutwark Youth Council about an issue you really care about. For example, plastic pollution.</p>	<p>Research a country you have never been to before and write a fact file.</p>

# READING BINGO

Write a book review of a book you have read recently. Think about how you will start each sentence differently.	Make a den and read your book inside it!	Write a letter to one of the characters in your book. What advice are you going to give them?
Choose a character from your book and write an acrostic poem about them.	Practice reading the phase 5 phonemes we have been learning. Time yourself to see how quickly you can get through them.	Become the new illustrator for a favourite book. Design the front cover. How will you entice a reader and capture what the book is about?
Write a sequel to your favourite book. Can you put yourself into the story?	Practise reading out loud with expression in front of a made up audience. You could even perform a poem to all your toys.	Read a non-fiction book and then design your own quiz all about it.

# Wellbeing BINGO

Do some cosmic kids yoga (see link below) to feel calm or to feel energised.	Go on a nature scavenger hunt. Create a picture from the things that you find.	Do some mindful colouring using calm colours.
Complete a jigsaw with a member of your household. Or if you want a challenge, design your own!	Make a kindness calendar. Can you do an act of kindness each day in the holiday?	Hold your own sports day in the park. Design certificates to give to everyone who takes part.
Think about what you would like to achieve in Year 3, whether it's improved handwriting, learning more times tables or working on your art skills.	Smiley challenge! Draw a big smile and write down all the things that make you happy around it.	If you have any worries, make sure you share them with a trusted adult.
