

Summer

Challenge

Dear Gormley and Kandinsky class,

It's the summer holidays! Yay!

We just wanted to say a BIG well done for all of your fantastic work this year. We are especially proud of the learning you have been doing from home and would like to say an enormous congratulations to everyone on a truly wonderful Year 3! We are so proud of all of you and have been blown away by the wonderful pieces of learning we have been sent over the last few months.

We particularly enjoyed your poems during Poetry Week and it's been lovely to hear how so many of you have enjoyed learning the column method of addition and subtraction. We hope you all make it back from ancient Egypt in time for September too!

The summer holidays is a time to enjoy the sunshine and outdoors. (Let's hope for amazing summer weather!) Due to learning looking different this year, we thought we'd set you some summer challenges so, if you wish, you can continue to practise the skills you have been learning.

Well done again on a great year of learning. We very much look forward to seeing you all in September!

Miss Cosby and Miss Evans

Dear Parents/Carers,

Thank you for all your hard work in home schooling and for staying in touch with us over the last few months. Over the summer we are aware that families will want to take different approaches. You may want to take the time to unwind and have a break or you may want to keep some school routines continuing during the summer months. Each family will have their varying priorities. The summer challenges we have provided are optional. There are different routes you can take: you can access the learning bingo pages as a source of ideas, ticking off activities as you wish. We have also provided web links at the bottom of the bingo pages for further games, activities and learning. You can also use **Oak Academy** and **BBC Bitesize**, both of which provide lessons across all year groups.

Thank you all once again and have a wonderful summer!

All the best,

Miss Cosby and Miss Evans

MATHS

BINGO

<p>Data Gatherers!</p> <p>Gather some data of your choice and then represent it as a pictogram or bar chart.</p>	<p>Practise using the column method of addition and subtraction.</p>	<p>Use spaghetti to make a picture out of 2D shapes.</p> <p>Point out all the right angles and parallel lines to a family member.</p>
<p>Create a maths board game for your family to play. Fill it with multiplication and division calculations to solve.</p>	<p>Chocolate Fractions!</p> <p>Use a chocolate bar to practise your fractions skills. Can you find different a $\frac{1}{2}$, $\frac{1}{4}$, $\frac{3}{4}$? What other fractions can you show?</p>	<p>Use spaghetti and marshmallows to make 3D structures. Discuss their properties (faces, edges, vertices)</p>
<p>Write out a set of times tables that you find tricky. Ask a family member to test your speed or play multiplication bingo</p>	<p>Make a teaching the time poster, highlighting digital and analogue times.</p>	<p>Make a timetable of your day, showing the different times and lengths of each activity.</p>

ENGLISH

BINGO

<p>Create a wanted poster for a book character. Use a range of noun phrases and similes to describe the character.</p>	<p>Write a postcard to a friend about an adventure you have had. Focus on using exciting verbs throughout.</p>	<p>Write a newspaper article about something that you have done recently. What will be your headline?</p>
<p>Keep a diary. Think about how you will express your feelings and the variety of sentence openers you can use.</p>	<p>Take a photo of something mysterious or find a mysterious photo. Write a description of the photo like we did for The Mysteries of Harris Burdick!</p>	<p>Write a letter to a relative you have not seen in a while. Put on some calm music and focus on your handwriting and presentation skills.</p>
<p>Make a set of snap cards for words you find tricky to spell or create posters of tricky words to put around your house.</p>	<p>Write a set of instructions. This might be instructions for pizza or a cake or think back to our BFG recipes! Try to use a range of time adverbials, imperative (bossy) verbs and adverbs.</p>	<p>Create a setting description! You could take a photo of somewhere you visit over the holiday or find an image online. Build a picture through the use of noun phrases.</p>

READING BINGO

Write a book review of a book you have read recently. Think about how you will start each sentence differently.	Make a den and read your book inside it!	Write a letter to one of the characters in your book. What advice are you going to give them?
Read out loud to a family member or friend. Try to read with expression and use different voices for the characters.	Choose a character from your book and write an acrostic poem about them.	Become the new illustrator for a favourite book. Design the front cover. How will you entice the reader and capture what the book is about?
Read a non-fiction text you would not usually pick. Create a quiz using facts from the book for your family to play.	Write some questions you would ask a character. Then answer them in role as the character!	Jot down all of the powerful adjectives, exciting verbs and interesting adverbs that you find when reading.

Wellbeing BINGO

Make a ship in a bottle https://www.rmg.co.uk/family-activities/how-make-ship-bottle	Go on a nature scavenger hunt. Create a picture from the things that you find.	Smiley challenge! Draw a big smile and write down all the things that make you happy around it.
Look under leaves very closely and see how many different bugs you can find.	Feeling a little overwhelmed? Draw around your hand. Write the things that you can control on the inside and the things that you can't control on the outside.	Lie down on the grass, close your eyes and listen. What can you hear? Slow your breathing down and take a moment to relax.
Make a 'Think Positive' or a 'Gratitude' jar. Decorate your jar and keep it somewhere special.	Make an affirmations poster. I AM SMART KIND STRONG HONEST BRAVE & LOVED	Perform an act of kindness. You could hide a thank you note to be found later, help around the house...the choice is yours.
